Class Glass did a sterling job for us and were cheaper than all other quotes we received. One company didn't even bother to get back to us!

Callum came to look at the job, priced it, gave us a date and stuck to it. The team arrived here at 8am in the morning on the first day of the job. Clean, tidy and very professional job completed. We are delighted with our new velux windows.

Very little disruption and no fuss at all.

Would definitely recommend Class Glass!
